Proposed Rec Commission Policy for NYAA Camps & Clinics:

Drafted: April 26, 2017

Proposed: May 31, 2017

The policy of the Northwestern Recreation Commission regarding NYAA camps and clinics held at the rec fields shall be as follows:

1. Requests for use will come to the commission from the NYAA sports director, for the particular sport in question, through the normal facilities request process, to allow the commission to control scheduling.
2. NYAA camps or clinics shall be allowed to use the rec fields without additional charge, upon approval of the NW Recreation Commission.
3. The rec commission reserves the right to charge for any clean-up and/or repairs that result from the use the facilities, during such camps or clinics, including but not limited to the fields, pavilions or restrooms.
